

Position: Research Analyst - Global Equities (Retail, Consumer Discretionary)
Location: Los Angeles, CA

**Company
Overview:**

Causeway Capital Management LLC provides equity investment management services to corporations, pension plans, public retirement plans, sovereign wealth funds, Taft-Hartley pension plans, endowments and foundations, mutual funds, charities, private trusts, wrap fee programs and other institutions. The majority employee-owned firm, based in Los Angeles, began operations in June 2001 and manages international, global, and emerging market equities. Causeway employs a unique blend of fundamental and quantitative investment strategies and offers its clients access to the firm's proprietary risk analytics.

**Position
Overview:**

The Research Analyst will assist Sr. Research Analysts and Portfolio Managers in conducting in-depth research for listed companies globally, principally within the Global Consumer industry (focus on Retail). This will include constructing and maintaining financial models, as well as examining financial, economic and industry trends in the U.S. and overseas. The Research Analyst will be assigned at least one Causeway senior investment professional as a mentor to enhance learning about stocks and markets. The tenure of the role will be 2 – 4 years.

**Skills and
Abilities:**

- 2 - 4 years' post-undergrad experience in:
 - Investment banking / sell-side equity research covering consumer sector;
 - Business or strategy development with a retail or consumer discretionary company; or
 - Business consulting experience focusing on consumer discretionary.
- Demonstrated enthusiasm for identifying upcoming and current consumer trends.
- Personally passionate about cutting-edge trends, including fashion, restaurants, and travel.
- Undergraduate university degree with excellent academic credentials. CFA or progress toward CFA is desirable.
- Comprehensive understanding of financial statements and valuation methodologies.
- Solid analytical, accounting and financial modeling skills.
- Excellent writing and oral communication skills.
- Creativity and intellectual curiosity.
- A strong interest in equity investing and a respect for disciplined, value-oriented investment strategies is highly preferred.
- Demonstrated teamwork balanced with the ability to direct independent work.
