

**Position:** Research Analyst - China Equities (Mandarin Speaking)  
**Location:** Shanghai

**Company**

**Overview:** Causeway (Shanghai) Information Consulting Co., Ltd. is a wholly foreign-owned subsidiary of Causeway Capital Management LLC that provides investment research services for Causeway Capital Management LLC. Causeway Capital Management LLC provides equity investment management services to corporations, pension plans, public retirement plans, sovereign wealth funds, Taft-Hartley pension plans, endowments and foundations, mutual funds, charities, private trusts, wrap fee programs and other institutions. The majority employee-owned firm, based in Los Angeles, began operations in June 2001 and manages international, global, and emerging market equities. Causeway employs a unique blend of fundamental and quantitative investment strategies and offers its clients access to the firm's proprietary risk analytics.

**Position**

**Overview:** The Research Analyst will assist Sr. Research Analysts and Portfolio Managers in determining fair value for various listed Chinese companies as well as conduct in-depth research in various industries. This will include constructing and maintaining financial models, as well as examining financial, economic and industry trends in China. The Research Analyst will be assigned at least one Causeway senior investment professional as a mentor to enhance learning about stocks and markets. The tenure of the role will be 2 – 4 years.

**Skills and Abilities:**

- Spoken and written expertise in Mandarin is critical.
- Proficient spoken and written English skills are preferred.
- Comprehensive understanding of financial statements and valuation methodologies.
- A minimum of two years' post-undergrad experience at an investment bank, sell-side or buy-side firm.
- Previous experience with Chinese equities preferred
- Undergraduate university degree with excellent academic credentials.
- Advanced degree preferred.
- A strong passion for equity investing and a respect for disciplined, value-oriented investment strategies.
- Solid analytical, accounting and computer skills.
- Excellent writing and oral communication skills; ability to articulate findings thoroughly, yet concisely.
- Creativity and intellectual curiosity.
- Demonstrated teamwork balanced with the ability to direct independent work.
