

PAYDEN & RYGEL JOB OPPORTUNITY

COMPANY OVERVIEW

Payden & Rygel is one of the largest independently owned global investment management firms. We offer a full array of investment strategies and products, including fixed income, equity, and balanced portfolios as well as open-end mutual funds and offshore funds, to a varied client base around the world. While we have grown and expanded considerably since our inception in 1983, we remain committed to our mission of providing customized investment management solutions that focus on each client's specific needs and objectives.

JOB TITLE

Client Portfolio Manager

JOB DESCRIPTION

The Client Portfolio Management Team works closely with the Strategy Team to manage client portfolios. The role of the Client Portfolio Manager is to ensure that we understand exactly what our clients' current and future expectations are in terms of performance objectives, risk tolerance, and investment style, to communicate these expectations to the relevant strategy group, and to ensure that each mandate being delivered is entirely consistent with client objectives.

Delivering excellence in servicing while strengthening existing and developing new client relationships are critical functions of this role.

JOB RESPONSIBILITIES

- Serve as a senior member of the Portfolio Management group, collaborating with team members across strategies in monitoring portfolios daily for adherence to guidelines, client objectives, and product strategy.
- Lead client portfolio reviews and discussions and serve as the primary contact in identifying and introducing other Payden & Rygel strategies and services to existing and prospective clients.
- Oversee the day-to-day needs of select clients and related consultants, including the fulfillment of data queries and periodic and ad hoc reporting requests.
- Communicate effectively with internal parties regarding client account-related issues including, but not limited to, cash flow information, client concerns and issues, and strategies employed.
- Collaborate with various Payden teams and help to author thoughtful and engaging content.

QUALIFICATIONS

- 12 plus years of work experience in a client service, product management, or fixed-income portfolio manager role.
- Knowledge of the institutional investment management industry and public fixed-income markets is a plus.
- Ability to partner with and consult clients and prospects on appropriate strategies to meet their unique return objectives and risk tolerances.
- Strong written and verbal communication skills.
- Positive teammate, organized, holding oneself to the highest of standards with attention to detail paramount.

PAYDEN & RYGEL JOB OPPORTUNITY

EDUCATION

- Bachelor's degree required
- CFA is strongly preferred. A graduate degree is a plus.

HOW TO APPLY

Please send resume to Careers@payden.com

Subject: (Your Name, Position Title and Reference Code)

The base salary range for this position is \$175,000 to \$225,000. However, base pay will be determined on an individualized basis considering various factors, including location, qualifications, skills, and experience.

The total compensation package includes salary, discretionary bonus, and 401k/profit-sharing based on level of experience and skills brought to bear as well as full range of benefits including medical, dental, vision, and life insurance.

Our employees work together in our downtown Los Angeles office, benefiting from our collaborative, team-oriented culture that has been the foundation of our success. We have always been a firm that has awarded flexibility to our employees.

EQUAL EMPLOYMENT OPPORTUNITY

Payden & Rygel is an equal opportunity employer, which means we comply with all federal, state, and local laws that prohibit discrimination when making all decisions about employment. Payden does not make employment decisions on the basis of race, color, ethnicity, national origin, ancestry, citizenship, religion, creed, sex, sexual orientation, gender identity, gender expression, age, past or present physical or mental disability, HIV status, medical condition as defined by state law (genetic characteristics or cancer), pregnancy, childbirth and related medical conditions, veteran status, military service, marital status, familial status, genetic information, domestic violence victim status or any other classification protected by applicable federal, state and local laws and ordinances.
