

**Rose Dean, CFA, Managing Director**

Rose Dean is a Managing Director of Wilshire Associates and a member of Wilshire Consulting. Ms. Dean joined Wilshire in 2015 and conducts investment research and provides consulting services to corporate and public pension funds, endowments, and foundations. Her consulting experience ranges across many sizes of investment funds. She also currently serves on the Fixed Income/LDI, Private Equity/Credit and Diver-Owned Manager Committees.

Ms. Dean has 19 years of industry experience. Prior to joining Wilshire, Ms. Dean spent four years running a start-up alternative investment consulting business, advising on opportunities focused on private credit and asset-based loan portfolios. Ms. Dean spent seven years trading fixed income at Citigroup in New York, both as a market-maker and as a bank treasury portfolio manager. Subsequently, she was a Director at Harcourt Alternative Investments, a Swiss fund of hedge funds. She was in charge of hedge fund investment due diligence for multiple strategies, including fixed income arbitrage, global macro and emerging markets.

Ms. Dean has a BA in chemistry from the University of Chicago, and two MBA degrees, one in finance from the University of Chicago Booth School of Business, and one in International Brand Management from ESSEC (École Supérieure des Sciences Économiques et Commerciales) in France. She is fluent in Korean and conversant in Mandarin Chinese and French. She holds the Chartered Financial Analyst designation.
