

Segall Bryant & Hamill is an independent investment firm headquartered in Chicago, Illinois with offices in Denver, CO; St. Louis, MO; Philadelphia, PA; and Naples, FL. Since our founding in 1994, we have grown to close to \$23.9 billion in assets under management as of December 31, 2020. We provide fee-based investment management of equity, fixed income and balanced investment portfolios. Our growing client list includes high net worth individuals and families, endowments, foundations, corporations, hospitals, public funds and multi-employer plans across the country.

**Job Title:** Junior Fixed Income Analyst

**Category:** Fixed Income

**Employment Type:** Full Time

**Level:** Entry Level

**Location:** Denver, Colorado or Chicago, Illinois

**Compensation:** Commensurate with experience

The Segall Bryant & Hamill (SBH) fixed income team is seeking a fixed income analyst candidate that is eager to develop their skills and knowledge across the fixed income investment discipline. This individual will join our team, contributing their talent and perspective in pursuit of our goal to provide high quality investment solutions for our clients. We anticipate that the success of our clients will in turn provide growth and career enhancement opportunities for all members of our team.

Within our team environment, the analyst will serve in meaningful roles across a range of fixed income investment management responsibilities. The analyst will be aiding us in our work on portfolio analytics, providing quantitative support and collaborating within our credit research efforts while also supporting certain trading responsibilities.
