

Position: Sr. Research Analyst - Global Equities (Consumer Discretionary)
Location: Los Angeles, CA

**Company
Overview:**

Causeway Capital Management LLC provides equity investment management services to corporations, pension plans, public retirement plans, sovereign wealth funds, Taft-Hartley pension plans, endowments and foundations, mutual funds, charities, private trusts, wrap fee programs and other institutions. The majority employee-owned firm, based in Los Angeles, began operations in June 2001 and manages international, global, and emerging market equities. Causeway employs a unique blend of fundamental and quantitative investment strategies and offers its clients access to the firm's proprietary risk analytics.

**Position
Overview:**

The Sr. Research Analyst will assist other Sr. Research Analysts and Portfolio Managers in conducting in-depth research and making investment decisions for listed companies globally, principally within the Global Consumer Discretionary industry. The candidate should have excellent financial analysis and modeling skills and be aware of financial and economic industry trends globally.

**Skills and
Abilities:**

- Minimum of 5 years of experience in sell-side and/or buy-side equity research
- 5 or more years covering the consumer sector, with emphasis on Consumer Discretionary
- Business consulting experience or business strategy development focusing on consumer discretionary and/or staples is desirable
- Demonstrated enthusiasm for identifying upcoming and current consumer trends
- Personally passionate about cutting-edge trends, including fashion, restaurants, and travel
- Undergraduate university degree with excellent academic credentials. MBA preferred
- Comprehensive understanding of financial statements and valuation methodologies
- Strong analytical, accounting and financial modeling skills
- Excellent writing and oral communication skills
- Creativity and intellectual curiosity
- A strong interest in equity investing and a respect for disciplined, value-oriented investment strategies is highly preferred
- Demonstrated teamwork balanced with the ability to direct independent work
